#### Statement of Commitment

Our organization supports the rights of children and young people and is committed to providing a safe and supportive service environment directed at ensuring their safety and well being.

In order to support this commitment, we are dedicated to our child and youth risk management strategy which has policies and procedures in place to effectively address the safety and well being of children and young people in our care.

#### Code of Conduct

Our organisation is committed to the safety and well being of all children and young people, especially those who use our services. Our workers will treat all children and young people with respect and understanding at all times and listen to their concerns, and ensure children and young people are kept safe from harm. Our company's standards of appropriate behaviour are listed below.

## Risk Management Plan

Activity	Risk	Likelihood of risk	Risk Evaluation	Risk Management	Review
To decorate a tablet holder					
The activity will be help in an approved OSHC setting	The room may be too small  Fire safety issues	It could be a possibility that some rooms are too small for larger groups  This could cause safety issues due to overcrowding  For example fire safety evacuations procedures	The Level of risk is low	Classes are kept to a safe and manageable number of students  All rooms used already have an existing fire awareness plan	The activities coordinator will establish before the activities begin the room is safe for use  Plus the number of children are a manageable size
The children are given a tablet holder to decorate	The children may get splinters from the wood	It is unlikely that any serious harm would be done	The level of risk is low	Should first aid be required it will be administered immediately.	All first aid equipment will be identified before the class begins  All classes are covered by public liability insurance  The procedures

					will be followed with the incident report form being completed and handed to the responsible person in charge
Pens are issued to begin the colouring	The children may consume (suck a pen)	The likelihood of consuming the pens is low but must be considered	The level of risk is low	All pens used pass the Australian safety standard  All items used are deemed safe for children 5 years and above	Any incidents are reported immediately.
The tablets are assembled	They are assembled by the person running the workshop	No risk to children foreseen	No risk to children foreseen	.	Any problems or issues with be reported to the supervisor immediately
